**3. Tab 【 Mobile network 】**

# SIM Mode Switch for Android(4/4)

4. Choose 【Chunghwa Telecom】  
or 【Universal Card】 or 【Auto】  
then Re-boot.

# Remarks

- ※ Switch SIM mode for **OPPO handsets** as following  
【Setup】 → More → Application 【Chunghwa Telecom/  
SIM Toolkit】 → 【Universal Card】 → 【Mobile network】  
→ 【Chunghwa Telecom】 or 【Universal Card】 or 【Auto】  
→ Re-boot.
- ※ If you did not see Universal Card SIM App icon shown on  
your **Zenfone2**, please insert a non-Universal Card SIM to  
Slot 1 of Zenfone2 first. After you saw the SIM App of the  
operator, change the SIM back to Universal Card, you should  
see Universal Card SIM App then.
